Message

WELCOME TO IAPACON 2027

It is with immense pleasure and honour that we invite your esteemed organization to partner with us for the 18th Annual National Conference of the Indian Association of Paediatric Anaesthesiologists (IAPACON 2027), scheduled from 12th to 14th February 2027 at the Main Auditorium, AIIMS Patna.

Centred around the theme, "Paediatric Anaesthesia – Safer Anaesthesia, Brighter Tomorrow", the conference aims to foster academic excellence, encourage innovation, and advance clinical practices in paediatric anaesthesia. IAPACON 2027 will bring together distinguished faculty, experienced clinicians, researchers, and emerging professionals from across the country, creating a dynamic platform for knowledge exchange and collaboration.

The scientific programme will include keynote lectures, panel discussions, case-based learning, interactive academic sessions, and free paper presentations, ensuring high academic engagement and participation. In addition, five focused hands-on workshops – Neonatal Ventilation, Regional Anaesthesia, POCUS, PPLS, and Pediatric Airway – will provide practical learning opportunities under expert guidance.

As a valued partner, your organization will gain meaningful visibility and engagement with a highly specialized audience of healthcare professionals, decision-makers, and academicians from across India. This conference offers an excellent opportunity to showcase your brand, products, and innovations while building strong professional relationships within the medical fraternity.

Hosted at AIIMS Patna, a premier institute of national importance known for its excellence in medical education, research, and patient care, the conference promises a high-impact academic environment. The historic city of Patna, a gateway to multiple religions and home to globally significant sites like Bodh Gaya and Takht Sri Patna Sahib, adds cultural and spiritual richness to the overall experience.

We look forward to your support and collaboration in making IAPACON 2027 a grand academic and professional success.

Warm regards,
